Olive & Pearl

Created as
a supportive first
performance for the very young,
Olive & Pearl is the story of a young
girl, Olive, who is lovingly being raised by
her Granny, Pearl. Told through puppetry,
theater, music and movement, **Olive & Pearl** is
both a mirror and a window into the deeper meaning
of home. Treehouse Shakers magically takes the very
youngest theatergoers on a sensory journey filled with
wonder, surprise and delight.
